Using recycled materials, the students of CEIP de Lourido have made their christmas trees.
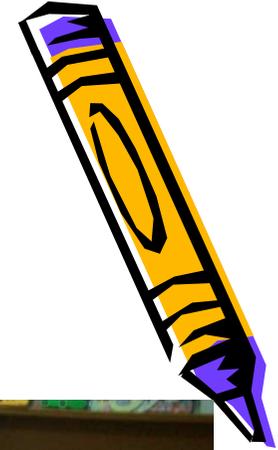

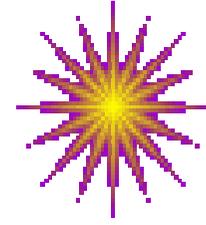

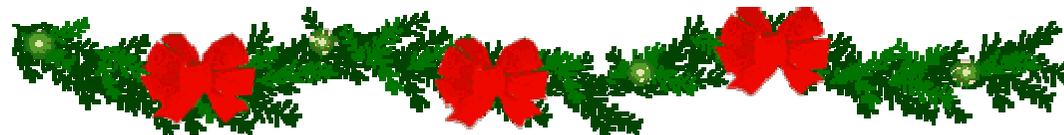

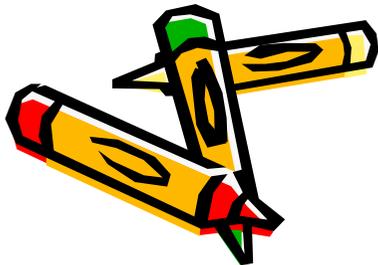

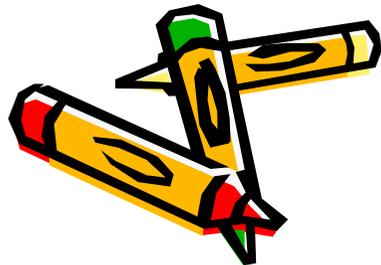

First, they prepared all the materials.

Then, they
painted it.
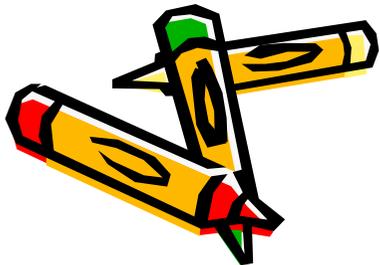

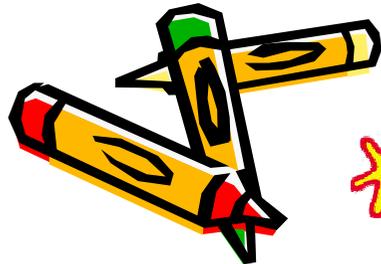

And, finally...

## OUR TREE.

All the students of the school made the same with their trees. This is the result.
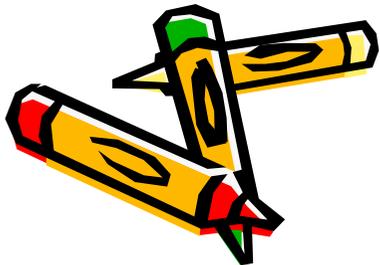

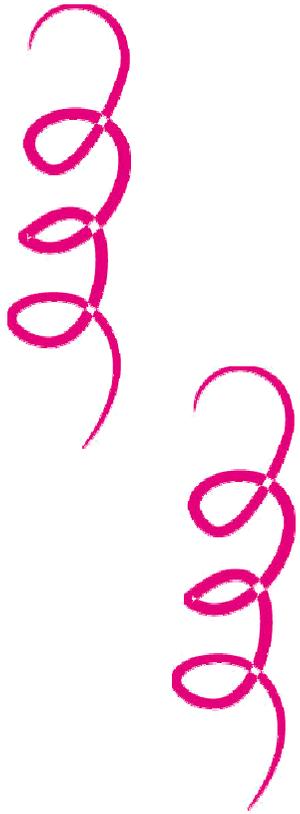

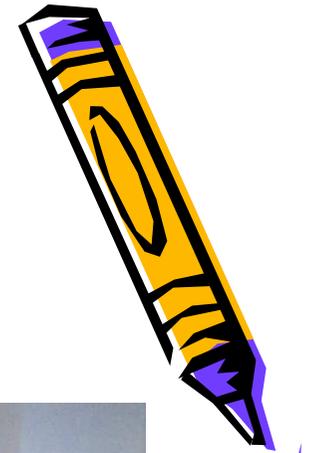

We wish you a Merry Christmas, we wish you a …

... and a Happy
New Year.

And, here, you can see our hall of fame, ¡UPS!, excuse me, our hall of trees …

It´s great, don´t you?
