I.T.I.S. AUGUSTO RIGHI

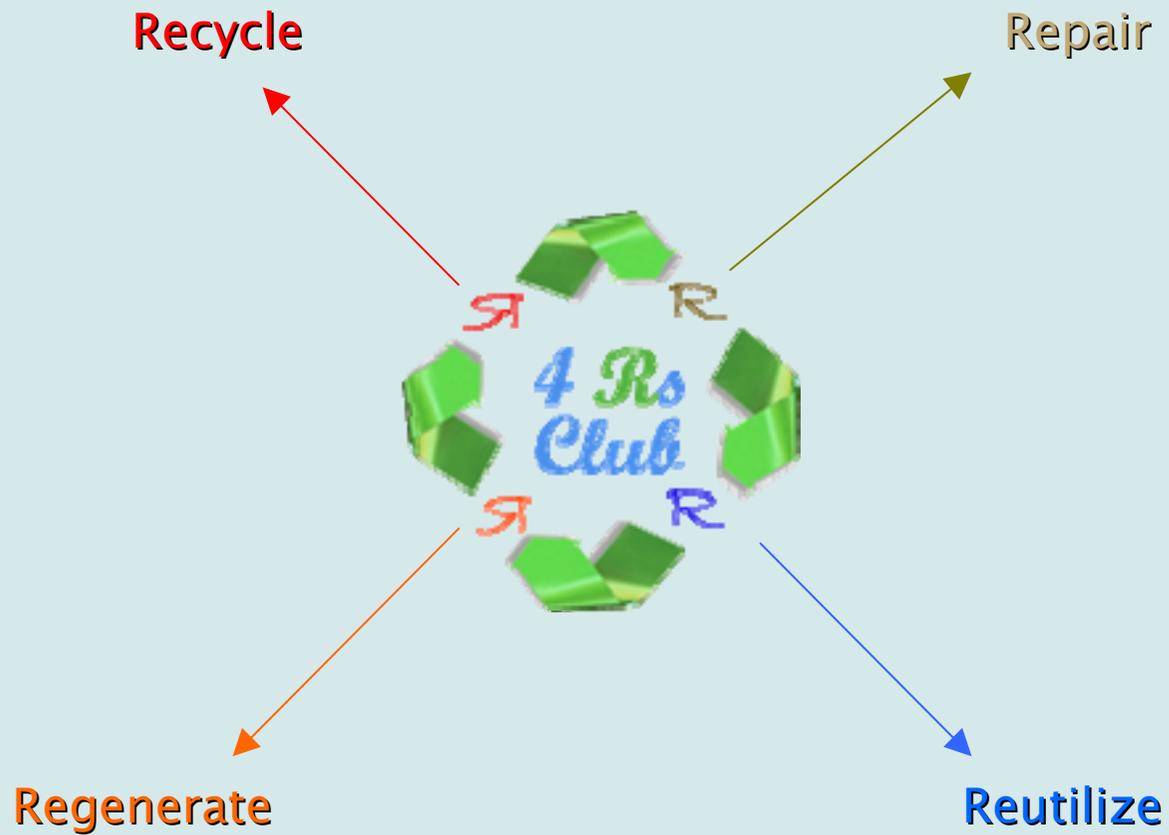

OUR BUSINESS: FROM CONCEPT TO THE FACTS

The Business Plan

Our Logo

A good idea is important
but in itself is not
enough

Our mission:

Offering products and raw materials made from recycled materials discarded in the environment and energy conservation

Our enterprise:

4Rs Club

Our enterprise was born with the idea to reduce energy waste because our products are not submitted to other changes at a structural level.
