

Snoutomania, Ltd.

- Snoutomania Ltd, the practice firm at Secondary School of Economics Maribor is a commercial and service company dealing with pets and small animals.
- Our basic job is to enable healthy and quality life for the animals. We are fulfilling it with a broad spectre of our products and services:
  - a shop with products and services for pets
  - pet hotel, animal shelter and taking care of pets at home
  - daily care and pet trainings
  - organizing charity events to help pets and animals and
  - veterinary services.

- We are currently working on the national market and cooperating with other practice firms in Slovenia.
- Our work is unique and loyal. The team of 13 employees in our company departments takes care that the business runs perfectly.
- Company departments are: human resources, administration office, marketing and accounting department and multimedia.

- A personal approach is important to us and we are committed to our customers by considering their wishes and preferences.
- Our potential customers are all existing and future pet owners. With the corporate image and detailed offer we want to convince the customers that we are a company which is definitely worth coming back to.

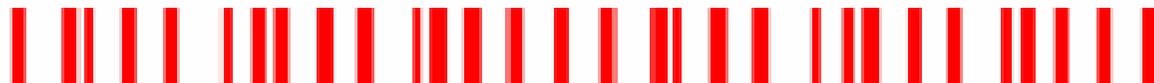

## VISION FOR THE FUTURE

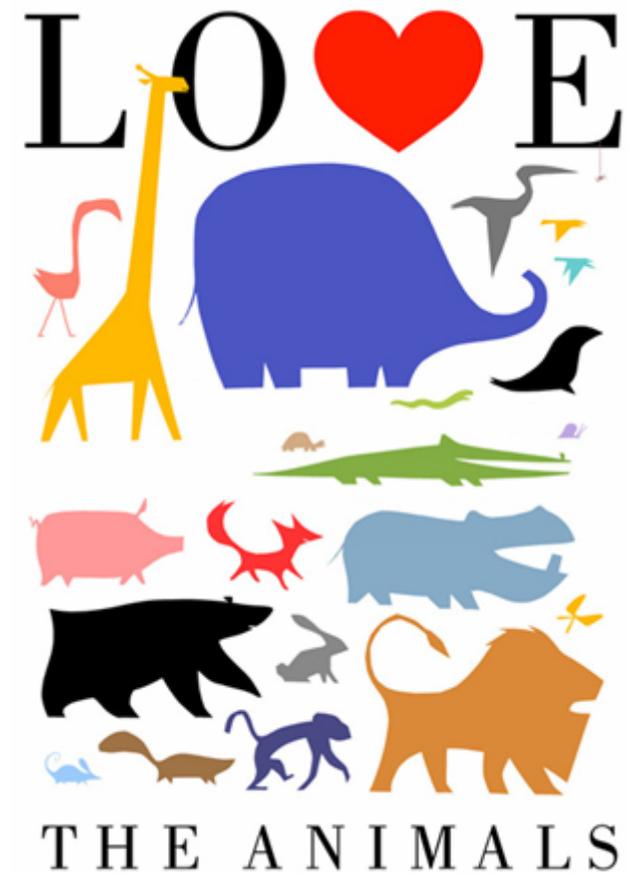

- We want to be competitive and innovative and become recognized as one of the best companies in our area of work. We are planning to reach our goals by hard work and by considering our customers' demands. At the same time we will foster a good atmosphere among our employees.
- We want to achieve the best results because they improve us and enable our development and growth. We will be the biggest value for our customers. Our desire is to exceed customers' expectations and fulfil our duties and obligations.

## MISSION

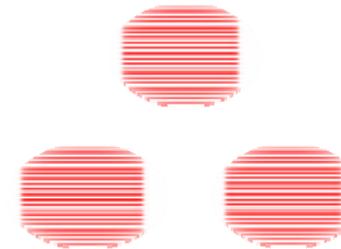

- The company's mission is to actively join the animal service market and to make it recognizable to our potential customers. We want to coordinate the expectation of our employees, business partners and customers.

## THE COMPANY'S OBJECTIVES

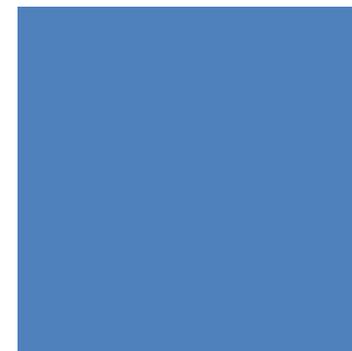

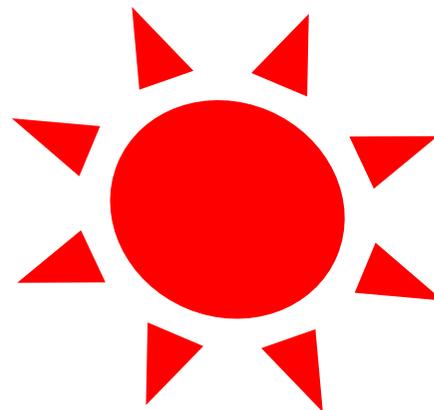

- An **innovative company** with a highly recognizable image, which consistently expresses the company's mission and its brands in targeted public.
- To offer **high-quality services** which contribute to a successful business and operate in accordance with the quality politics.
- To **provide optimal conditions** for creating a good working atmosphere and to enable the quality life to all our employees.
- To ensure the company's reputation and long-term **success**.
- **Motivation and employee training**; we create a working environment in which everyone contributes their skills and knowledge to the excellence of the company.
- To **operate at a profit** with the lowest costs possible.

## THE VALUES OF OUR COMPANY

- **Teamwork** – we are aware of the benefits of good relations and business cooperation
- **Kindness** – we are distinguished by friendliness among employees and kindness towards costumers
- **Quality** – we want only the best for our costumers
- **Creativity** – we encourage our team to contribute their innovate ideas; together we are discovering new ways for the satisfaction of our customers
- **Flexibility** – we consider and listen to the wishes and demands of our business partners and customers

## SOCIAL RESPONSIBILITY

- In our company we are aware that besides creating good business results, it is also important to establish quality and better life for the employees and people in our environment.

Thank you for your attention!
