

Travel agency

Product and service: Private and groups trips- all included

There many chances to do trips “all included” to beaches, famous places. We offer trips to interesting cultural places as following

We plan different trips to special places we organize the whole trip and we publish it in the web. The interested persons call us and the trip is confirmed once the booked the plane tickets, this is the way to visit special places in every country and get good quality and the best prices

What do we need?

We need

- A Coputer
- A telephone
- Some free time
- We can design own web
- Propose the routes

Cost

At the beginning it'll be a part time job, a self- employment
