

## E o ferreiro vai fóra

E o ferreiro vai fóra  
e a muller tamén  
e fixeron unha rede  
e non lles saíu ben.

E o ferreiro coas pulgas  
non puido adormecer  
mira Pepa, mira Pepa  
non puido adormecer.

E os ferreiro coas pulgas  
non puido adormecer  
abriu as portas da forxa  
botou as mantas a arder.

E o ferreiro vai fóra  
e a muller vai tamén  
e fixeron unha rede  
e non lles saíu ben  
mira Pepa, mira Pepa  
e non lles saíu ben.

## The blacksmith is out

The blacksmith is out  
and also his wife  
they made a net  
that didn't work out.

The blacksmith couldn't fall asleep  
because of the fleas  
alas, alas Pepa  
he couldn't fall asleep.

The blacksmith couldn't fall asleep  
because of the fleas  
he opened the doors of the forge  
and threw the blankets to fire.

The blacksmith is out  
and also his wife  
they made a net  
that didn't work out.  
alas, alas Pepa  
and it didn't work out.
