Viva Chaira viva Chaira
ai viva Chaira do Riós
viva Chaira viva Chaira
ai que da Chaira somos nós.

Ruxe o ferro, ruxe o ferro,
ai ruxe o ferro e corre o norte
o diñeiro do meu amo
ai non se gaña nesta sorte.

Castellanos de Castilla
ai que lles fagueis aos galegos,
cuando van, van como rosas,
ai cuando vén, vén como negros.

A miña fouciña corta
ai, por este panciño raro
que para gañar a vida
ai, cómpre ter moito coidado.

Long life to Chaira
Long life to Chaira de Riós
Long life to Chaira
There's where we're from.

The iron roars, the iron roars
The iron roars and the north wind blows
I can't earn my master's money
If things go like this.

Castilians from Castilia
Behave yourselves with Galician people
When they go, they look like roses,
When they're back, they look like blacks.

My short little sickle,
I must take care of you
In order to earn my living
I must take care of you.
