

No nicer country

- 1 No nicer country in this time  
As the one here, for miles around,  
↓Where we meet under the lime tree  
In the evenings.↓
- 2 Here we've been sitting for long hours  
In a happy company  
↓Singing, songs filling  
The oak wood.↓
- 3 Let us meet in these dales  
Another hundred times  
↓God will allow it, he will lead us,  
God is gracious.↓
- 4 Now, brothers, good night.  
God in heaven watches us.  
↓He is taking care of us  
In loving kindness.↓
