

## Analysis Kein schöner Land - No nicer country

- 1) content:                   The song praises peoples love towards their country. They meet after work is done to share the few free time.
- 2) type of song:               It is a folk song. Words and melody were written by Wilhelm Zuccamaglio. It was set by Manfred Grotz.
- 3) character:                 The character of movement is gently rocking, swinging, the expression calm, reflective, contemplative.
- 4) structure:                 The song consists of 4 verses , they have only one part.
- 5) key and tone:             The song is written in G - Maior. We find one sharp and the final note is g`
- 6) melody :                 The melody is very simple. Often there are repetitions like in bar 1.  
There are many steps from note to note in the melody, like in bars 1/5/8. you find many reptitions of melody here: upbeat + bar 2, bar2 + bar4, bar 4-7+ bar 7-9.  
There is one unfinished triad in the upbeat and bar1.there are only little jumps, the biggest one is the fifth in bar 2.  
The song starts with a fourth in the upbeat. the register is an octave.
- 7) bar:                        The song is written in 3/4 bar. There are 1/8 and 1/4 notes, as well 1/8 pauses. A rhythmic feature, which is special, are the dotted notes in bar 3 and 10.
- 8) upbeat:                    The song starts with an upbeat. there are only three notes of 1/8 in the bar.the song consists of 10 bars.
- 9)summary:                    In my opinion the song is one of the most impressive and popular songs praising peoples love and work for their country.
