

Come on, musicians

- 1 ↓Come on, musicians we want to compete
 In the fresh morning !↓
 ↓Will we be singing, will it be sounding
 Far in the countryside ?↓

- 2 ↓Listen, friends, the dogs are barking
 What shall we start with?↓
 ↓Let's compete, let's be winners, let's make
 the best of summertime!↓

- 3 ↓Come on, brothers, sing high and low to make
 The best of summertime!↓
 ↓Wouldn't it be a shame if we withdrew
 Far in the countryside?↓
